

S3 Maritime was awarded the **Best Technology Booth** in the 2017 Seattle Boat Show. On exhibit are displays from Garmin, Raymarine, Simrad, and S3's scalable Alarm and Monitoring System. Special note was given to the Hatteland 55" Ultra High Definition Chart Table display.

Visit S3 Maritime's display on Concourse #2418 to learn about the latest in marine technology and how it will make your boating more fun and safer.
